Phillips Precision

Fixturing—Simple by Design.

INSPECTION[™]
ARSENAL

LASER[™]
ARSENAL

BOYLSTON, Mass. August 15, 2018 – Phillips Precision’s Products Division announces its new 1-Legged Spider-Clamp™ as part of the *Inspection Arsenal*® LEAN, Quick-Swap inspection fixture system. Not only does Phillips Precision offer the only quick-swap standard fixture systems, but they provide quick, creative fixture design and quick shipping of your orders. Inspection Arsenal® tooling will help optimize your inspection process and uncover hidden profits.

This unique clamp can hold parts of infinite size and shape, we’ve plucked the legs off the 3-legged Spider Vise™ to give inspectors more options. Place the 1-legged vises in any hole position or direction 360°. The leg comes complete with adjustable pins with o-rings to provide grip when parts are in position. Vises are black anodized aluminum sitting on a ¾” x 2” steel stand-off secured by a flat-head screw. Add taller stand-offs to gain more height when necessary. Compatible with ¼-20 and M6 mounting thread.

Inspection Arsenal® will **protect your company profits** in many ways.

- Enjoy a rapid return on investment
- Inspect more parts per shift
- Create multiple quick-swap setups per CMM
- Move fixtures from one machine to another
- Increase the number of employees who inspect
- Adapt and reuse existing fixtures effortlessly
- Access granite surface easily
- Use CMM palletization features
- Work toward lights-out inspections
- Use as dedicated tooling - add it to your job box
- Ships immediately, as product is ready-made

Inspection Arsenal[®] complements other fixturing you may have and the value makes converting from other techniques very cost effective. Plates with air-glide feature are made to order. Standard Loc-N-Load[™] product is ready-made and the company has a same-day shipping policy so an order today can be improving efficiency by tomorrow.

For additional information visit www.phillips-precision.com where you'll find case studies and demo videos on all products that show just how fast and easy Inspection Arsenal[®] is to use.

About Phillips Precision, Inc.
