

Phillips Precision

Fixturing—Simple by Design.

RoHS Compliance

June 7th, 2021

European Environmental Legislation – RoHS (EU) Directive 2015/863

Phillips Precision, Inc, hereby certifies to the best of our knowledge based on their suppliers or vendors production test reports, results or other supplied certifications of compliance that our standard products, assemblies, fixturing, and or other components are RoHS 3 (EU 2015/863) compliant and do not exceed the designated levels of Lead, Cadmium, Hexavalent Chromium, Mercury, Polybrominated Biphenyls, Polybrominated Diphenyl Ethers, Bis(2-Ethylhexyl) phthalate, Benzyl butyl phthalate, dibutyl phthalate or Disobutyl phthalate legislated under the provisions of the European Parliament and Council Directive on the Restriction of the use of certain Hazardous Substance in Electrical and Electronic Equipment ((EU 2015/863) and regulations promulgated there under, collectively, the “RoHS Regulations”.

If you have any questions or concerns regarding any of this information, please feel free to contact me.

Sincerely,

Steven E. Phillips
